

FIA EUROPEAN AUTOCROSS CHAMPIONSHIP ST GEORGES DE MONTAIGU
Round 3 (France) 16 - 17 - 18 July 2021

Organization Communicated

Sanitary protocol applicable for the Autocross of St Georges de Montaigu on July 16-17 & 18, 2021.

In accordance with the various decrees and according to informations from the Préfecture of Vendée and the ARS, this sporting event will only welcome people with a health pass which may include 3 types of non-cumulative evidence:

- the result of a negative RT-PCR or antigen test of less than 48 hours.
- the positive test certificate (RT-PCR or antigen) dating from at least 15 days and less than 6 months.
- the vaccination certificate attesting to a complete vaccination schedule. The complete vaccination schedule is defined as follows:

Person's situation	Triggering of the validity of the health pass
1 injection Vaccine (Johnson & Johnson)	From 4 weeks after the injection.
2 injections Vaccine (Pfizer, Moderna, AstraZeneca)	From a period of 2 weeks after the 2nd injection
Single injection for people who have already had Covid-19	From a period of 2 weeks after the injection

The presentation of the health pass can be done in digital version (via the TousAnti-Covid application or any other digital medium of the choice of the person concerned) or in paper version.

People who can justify the health pass will be given bracelets to place on their wrists.

Access to the site will be made exclusively to the wearer of the bracelet given by the organization. This will only be handed over to the sanitary control located: rue de la Signeauderie in St Georges de Montaigu 85600 Montaigu Vendée - GPS: Latitude: 46.937235 - Longitude: -1.282221. In the premises of the Technical Services of the Municipality of St Georges de Montaigu.
